Subject: Consent Schedule Proposal: Docket Nos. 2022-93-E & 2022-97-E

To the statutory parties SCDNR, SCDHEC, and SCPRT ("Statutory Parties"):

ORS and the Applicants SR Lambert I, LLC and SR Lambert II, LLC ("Applicants") have agreed upon the following consent schedule **which we plan to present to Staff via email Wednesday morning (March 16) at 9:00 AM.**

June 15 – ORS and Other Parties Testimony

June 29 – Applicant Rebuttal Testimony

July 13 – ORS Surrebuttal Testimony

July 18 – Hearing

Also, the matters are currently scheduled for hearing on May 9 (2022-93-E) and May 12 (2022-97-E).

ORS and the Applicants also propose that we briefly convene both hearings together on May 12 with only counsel present, and no witnesses, in order to satisfy the statutory requirement that the application proceedings be convened within 60 to 90 days of application filing. We propose convening briefly for that purpose only, and then reconvening on July 18 for the full hearing with witnesses. Further, if it would be helpful to Staff, ORS and the Applicants are willing to convene a brief status conference in the near future to answer any questions that Staff might have on the above consent proposal.

If any Statutory Party objects to the above schedule proposal, please let us know before Wednesday morning March 16 at 9:00 AM.

Finally, the above consent schedule proposal is of course subject to the Commission's approval of the proposal.

ORS: Please confirm the above accurately describes the consent agreement of ORS and the Applicants.

Thanks very much to all-

Ms. Boyd,

I am writing on behalf of ORS in connection with the above-referenced matters in which SR Lambert I, LLC and SR Lambert II, LLC are seeking Certificates to construct two 100 MW solar facilities in Georgetown County.

ORS and the attorneys for the Applicants have spoken and would like the opportunity to consult with the other parties regarding a proposed testimony and hearing schedule in these proceedings. If the parties are able to so agree, we would present the proposed schedule to the Commission for its consideration. I also understand that the Applicants currently are willing to holding in abeyance, until the merits hearing, their request for approval to begin initial construction activities at the sites.

I would ask the Applicants to confirm my understanding and to advise if I have misstated our discussions or their position.

Assuming the Commission is amenable to this proposal, we will reach out to the other parties of record and will advise the Commission on the status of our discussions.

Thank you for your consideration of this matter.
